<<上海游览娱乐指南>>

内容概要

Welcome to Shanghai! This is a convenient handbook to keep you company along your fascinating tour in Shanghai. You can find all the fundamental information regarding the 9 most famous tourist areas in Shanghai, including traffic routes, hotels, historical sites, cultural establishments, shop-ping malls, restaurants and entertainment venues, on the 9 complete maps tucked up in the pages. With the help of map coordinates, you can easily identify the locations of the tourist sites of your interest as well as the consulate general of your country in Shanghai. Additionally, you can consult the book for the tourist attractions scattered in the outskirts of the city. The 170 beautiful pictures in the handbook serve as both an illustration of the tourist sites and a joyful reminder of your tour-ing experience in Shanghai.
