章节摘录

In England , people don t usually talk too much. You can go on a bus , or in a train , and everyone sits looking out of the windows. Often they read. They read books and newspapers. But they don t talk much. When you meet English people , they oftentalk about one thing , the weather. So when you meet someone in England , you say , "Nice weather for the time of year !

" "But it was a little colder yesterday. "someone may say : "But it will be a little warmer later !

"you can say. Talk like this and the Eng-lish people will think , "How friendly you are !
