前言

为了配合二期课改英语新教材的试验和推广，我们组织编写了这套“英语同步学习与辅导”丛书，每学期一册，以适应当前学生的需要。

今后，我们还将随新教材的修订及时更新丛书内容，使它与学生所使用的教材保持一致。

本丛书注重启迪学生的自我意识，围绕教材内容，联系生活实际组织编写练习，力求做到形式多样、内容循序渐进，能适应学生的发展要求。

本丛书注重通过知识梳理、语言点解读，引导学生观察语言现象、感悟语言规律。

学生在语言训练的过程中可以在语言知识、语言技能、学习方法等方面获得同步发展。

学习拓展栏目为学生拓展学习内容打开了一扇小窗户，学生将在吟诵小诗、体味幽默的同时享受英语学习的乐趣。

由于编写时间仓促，错误与疏漏在所难免，恳请广大师生批评指正。

章节摘录

I. Read the passage and tell whether the following statements are true or false Food shopping is more and more convenient in modern cities today. If people do not have time to make lunch, they can buy fast food at a convenience store. If they want to cook a delicious dinner or buy enough food for a week, they can go to a supermarket. These big, modern stores sell not only food but also other things for daily use. Sometimes people find it difficult to choose which to buy because there are too many choices. For example, there are different kinds of instant noodles, instant noodles with eggs or the kind with chicken. Many people do not enjoy food shopping or deciding what to buy. They prefer to eat at a fast-food restaurant. There they can have large hamburgers, sandwiches, different kinds of drinks and so on. It is nice to have many choices, but it is a problem to have too many choices. () 1. Food shopping is much more convenient today than years ago. () 2. If people don't want to cook lunch themselves, they can go to a supermarket. () 3. Big modern shops sell only food and clothes. () 4. Many people can have fast food and drinks at a fast-food restaurant. () 5. Sometimes people find it difficult to choose which to buy because there are too many kinds of the same things.
