章节摘录

Many years ago, a boy was asked to write a paper about What he wanted to be and do when he grew up. So he drew a detailed floor plan for a 4,000-square-foot house that would sit on a 200-acre dream farm. He put a great deal of his heart into the project and the next day he handed it in to his teacher. Two days later he received his paper back. On the front page was a large red F with a note that read, " See me after class " The boy with the dream went to see the teacher after class. The teacher said, " This is an unrealistic dream for a young boy like you. You have no money. You come from a poor family. You have no resources. Owning a horse farm requires a lot of money. You have to buy the land. You have to pay for the breeding stock and later you'll have to pay other fees. There's no way you could ever do it. " Then the teacher added, " If you will rewrite this paper with a more realistic goal, I will reconsider your grade... " The boy went home and thought about it long and hard. He asked his father what he should do. His father said, " Look, son, you have to make up your own mind on this. However, I think it is a very important decision for you. "
