内容概要

《高尔夫实用精品系列教材：高尔夫英语会话训练教程》分为13个单元，每个单元包含五个部分，其中第一部分是会话学习，为学习者在后面的会话实践中提供了一个样板。

第二部分是相关句子表达，这一部分主要提炼出会话中的一些常用句进行巩固训练。

第三部分是会话实践。

该部分主要是提高学生的口语应用能力。

第四部分是口语方法和技巧，这一部分主要为学生提供可以借鉴的学习口语的策略和技巧。

市场有很多口语教材，但真正把口语的策略和技巧编写成体系的很少。

这里的策略和技巧大都是编者自己在学习过程中所体会出来的。

第五部分是知识链接。

这一部分供学习者阅读和自我拓展使用，也可以为讨论课使用。

我们编排和处理了的这些绝大多数文章都是参考了国外高尔夫学习网站，因而是原汁原味的。

课程内容展现了俱乐部工作人员帮助客人入住宾馆、俱乐部前台接待、更衣、到出发台、球场练习、球场指导、推杆果岭、结束练习、归还球具、就餐、帮助退房和送客的一个完整工作过程。

章节摘录

版权页：插图： Reading aloud also can help us build up our self-confidence. It is not uncommon that quite a few students' speaking is soft and weak which will not get to the ears of listeners. Such communication is unsuccessful. If you keep on doing more reading-aloud exercises, you will find that sooner or later your sound will become louder and clearer. Knowledge Links知识链接 What Is An Amateur Golfer To an outsider looking in, what makes up an amateur golfer may be ambiguous and mystifying. It's more than a simple definition; however, and one looking at joining the amateur circuit needs to be aware that it is more than simply expanding on their hobby. A simple definition of an amateur is a participant who plays for enjoyment and does not receive payment in cash or kind as a reward. But that is not a total definition of an amateur golfer. It's important to note that there is an actual definition of an amateur player according to the United States Golf Association. An amateur player reaches that status first by reaching what is known as golf skill. Golf skill is assessed by a player's success at a competitive level. The level of competition can be local or national; the important aspect is that the player is successful competitively. Once a player has success in competitions and is recognized as having golf skill, this is known as golf reputation. Again, a reputation can only be gained through actual playing and recognition of golf skill. Simply being associated with the game of golf, administering tournaments or being an instructor does not gain a player reputation or skill. After achieving a level of reputable golf skill and establishing a status, an amateur may become an amateur player. This is a player that does not yet play for money and does not accept money for teaching the sport of golf. An amateur player may not claim to be a pro golfer, either, and may not engage in any action that would credit them in the same fashion as a professional player. Breaking this code of ethics would also include accepting any endorsements from commercial groups, allowing names or likenesses to appear for commercial purposes, or entering into professional agreements with sponsors or agents. Finally, an amateur player is not allowed to apply for membership to any organization for professional players. Of course, there are exceptions for every rule, and amateur golf is no exception. An amateur player is allowed to apply for an assistant professional player.
