Tapescripts and answer keys

章节摘录

There are seven days in a week. They are Sunday, Monday, Tuesday, Wednesday, Thursday, Friday and Saturday. Most children go to school from Monday to Friday. Most people don't work on Saturday or Sunday, and most shops in England don't open on Saturday or Sunday. But in China, shops are open every day. Sunday is always a holiday (假日). It's the first day of a week. Some people go to church (教堂) on that day. The time between Friday evening and Monday morning is the weekend. It is the time for rest. We can't work all the time. We need a rest.

() 1) Most children don't go to school on _____. A. Saturday B. Monday C. Sunday D. A and C
