章节摘录

版权页：插图：Bob: My best buy was a traditional clay pot. It was in an open-air market. You see all kinds of interesting things there. Usually they are cheaper there than in any other place in the city. Jane, what did you buy then ?

Jane: I bought a leather bag and a few other things yesterday. It's a shop on the busiest street here. Things there are more expensive than in some other shops. But they are so beautiful. !

love them. How about you, John ?

What did you get ?

John: I got a colourful wool carpet and a leather belt. I also got some beautiful gloves, i bought them all at fairly reasonable prices. Hey, let's see what David got. David: I got a pair of shoes at a very good price. I bought them in a shoe shop. They are cheaper than at the department store near my home. When I visit other cities I love to go to the local markets. I don't like supermarkets or big shopping malls or department stores. You can spend the whole day there and not talk to anyone. I want to go to open-air markets. It is interesting to talk to people and buy things there.
