内容概要

This book mainly aims to provide an overview of the representatives of Humanism in Western culture. According to the definition in Encarta Dictionary, the meaning of "Humanism" falls into three categories: 1. Belief in a human-based morality: a system of thought that is based on the values, characteristics, and behavior that are believed to be best in human beings, rather than on any supernatural authority; 2. Concern for people: a concern with the needs, well-being, and interests of people; 3. or Humanism Renaissance cultural movement: the secular cultural and intellectual movement of the Renaissance that spread throughout Europe as a result of the rediscovery of the arts and philosophy of the ancient Greeks and Romans.
