<<美国文化偶像101>>

内容概要

他们从未存在，他们无处不在。

他们纯属虚构，他们无比真实。

人们热爱他们，憎恨他们，恐惧他们，琢磨他们..... 他们影响生活，构建社会，掀起革命，
改变世界..... 他们是谁？

他们由文化塑造，他们塑造着文化。

走近他们，走近美国文化。

去发现，去了解，去体会，去感受，去惊叹，去感慨..... 本书讲述的是文化中的虚构人物如何对真实的社会产生了影响。

三位美国作者以他们的视角出发，将西方文化中的神话故事、民间传说、文学作品，以及戏剧、影视中最有影响力的人物分门别类，挑选出最重要的101位，并列排名，将他们的来历与影响轻松幽默地娓娓道来，同时也揭示了文化意义的深刻内涵。

17. Television Perry Mason—#86 Archie Bunker—#32 Captain Kirk and Mr. Spock—#50 J. R. Ewing—#63 Kermit the Frog—#67

章节摘录

The Apollonian side of life is order, reason, truth, and virtue——important aspects of life, but not the things that give you a rush. By contrast, Dionysus is the god of wine, revelry, risks, disorder, and freedom. Apollo was one of the few Greek gods not renamed when brought into the Roman pantheon². He was known as the god of light, medicine, music, and poetry. As protector of the nine Muses³, he was the guardian of all culture. As the god of theater, he inspired the playwrights Sophocles⁴, Euripides⁵, and Aeschylus⁶, whose works are still performed. Writers such as these produced new plays and poems for the annual festival of Dionysus. The theater that was dedicated to him in Athens still survives, though ticket sales are not what they used to be. Various groves were sacred to Dionysus, and presumably all the nightclubs and all the gin-joints as well. Dionysus, as god of the grape, has inspired the vintners art from Dom Perignon⁷ to Thunderbird⁸. The classical Greeks believed that balancing your internal powers of Apollo and Dionysus brought you great personal strength.
