## 内容概要

概括地说,本书具有以下几个特点。

### 1. 历年真题,原汁原味。

对于真题我们并没有做出删减,使考生对考试有最真实的体验,这也算是提前上“战场”。知己知彼方能百战不殆。

希望考生可以熟悉真题,从容应战。

### 2. 精心策划,编排合理。

本书的版式(设计)使考生可以先做完试卷,再核对答案,这样更有考试的氛围。

另外,听力部分的解析,我们选用的是分栏的形式,考生核对答案时可以对照原文找寻答案。

另外,本书还配有清晰流畅、语速标准的MP3光盘,让考生真实地感受考场气氛。

### 3. 对症下药,题型解读。

英语专业四级考试的题型还是比较多样的,有写作、听力、完形填空、语法和词汇及阅读理解。不同题型的解读方式也不同。

写作题型给出了“写作提示”和“范文点评与注解”;听力题型给出了原文及解析;完形填空与阅读理解题型给出了“文章结构分析”和“核心词汇精华”;语法与词汇题型则只列出了解析内容。

### 4. 考点报告,提炼精华。

考试的试卷总是有人说难,但是究竟难在哪里呢?人们一般会注意事后对其作出评论,却忽略了事先的研究,而恰恰是事先研究式的复习会更有针对性。

对答案选择比较关键的词语是我们应该注意的,语法的考查也是有规律可循的。

章节摘录

The stereotype of what a middle-class man did with his money was perhaps nearer the truth. He was—and still is—inclined to take a longer-term view. Not only did he regard buying a house of these provided him and his family with security. Only in very few cases did workers have the opportunity (or the education and training) to make such long-term plans. Nowadays, a great deal has changed. In a large number of cases factory workers earn as much, if not more, than their middle-class supervisors. Social security and laws to improve job-security, have made it less necessary than before to worry about "tomorrow". Working-class people seem slowly to be losing the feeling of inferiority they had in the past. In fact there has been a growing tendency in the past few years for the middle-classes to feel slightly ashamed of their position. The changes in both life-styles and attitudes are probably most easily seen amongst younger people. They generally tend to share very similar tastes in music and clothes, they spend their money in having a good time, and save for holidays or longer-term plans when necessary. There seems to be much less difference than in previous generations. Nevertheless, we still have a wide gap between the well-paid (whatever the type of job they may have) and the low-paid. As long as this gap exists, there will always be a possibility that new conflicts and jealousies will emerge, or rather that the old conflicts will re-appear, but between different groups.
