<<实用旅游英语>>

前言

21世纪的中国将成为世界旅游经济强国。

2009年11月，国务院出台《关于加快发展旅游业的意见》，提出把旅游业培育成我国战略性支柱产业，积极发展入境旅游，有序发展出境旅游；加强旅游从业人员素质建设，加强旅游从业人员培训。

2009年12月，国务院作出了《关于推进海南国际旅游岛建设发展的若干意见》的重大战略决策，要把海南打造成世界一流的海岛休闲旅游度假目的地。

这意味着机场、酒店、旅游景点、旅行社及各旅游服务、管理机构，需要大量的实用型旅游外语人才。

而旅游英语是培育旅游外语人才的必要条件，一本实用性和针对性强的旅游英语教材，对于旅游外语人才的培养至关重要。

作者自2005年开始，对20世纪90年代以来的国内旅游英语教材进行整理、阅读、分析、归纳、总结。

此外，从2007年开始，走访海南各旅游社、酒店、景区景点等旅游服务机构，展开为期三年的旅游市场调研，并通过对旅游行政官员、导游等旅游服务人员的访谈，多方面了解社会对旅游外语人才的需求。

从中外几十种书刊以及生活中选取素材，五年后完成了这本实用性、针对性和趣味性强的旅游英语教材的编写，这是一套富有生命力的教材。

本教材由旅游手续、旅游种类、旅游胜地、旅游要素、旅游法制五章组成，共19个单元，每个单元分为六个部分，即Warm up、Vocabularies、Conversation、Pas-sage、Integrated Exercises of Skills Development、Self Study。

本教材的培养目标：1.培养学生在旅游环境下实际使用英语进行涉外交际的能力。

课文中warm up、Vocabularies、Conversation三个部分的内容与年轻人生活、思想、旅游大环境紧密相关，词汇丰富，题材广泛、话题有趣，有助于他们产生用英语进行口头交际、表达思想的强烈欲望。

2.培养学生的阅读和翻译的能力，扩大旅游管理专业知识面。

课文中Passage、Integrated Exercises of Skills Development两个部分，课文与习题相互依托，内容由浅至深，难易适度，精心设计，既满足不同英语基础学生的需求，也是对他们英语学习效果和旅游专业知识掌握程度的一种检验。

章节摘录

Jack Smith: Do you know the Summer Palace ?

Wade Vinson: Yes, I do. The Summer Palace is in Beijing, and it is a beautiful place. Jack Smith: You are right. The Summer Palace is located in Beijing's northwest suburb, and it consists, in the main, the Longevity Hill and the Kunming Lake. Wade Vinson: Could you tell me who wrote the name of the Summer Palace ?

Jack Smith: The name of the Summer Palace, Yiheyuan Park (Park of Nurtured Harmony) is inscribed in gold in this nameboard in the handwriting of Emperor Guangxu of the Qing dynasty. Wade Vinson: That's great. I think that is a good name. Do you know Emperor Qianlong ?

Jack Smith: Of course, I know him a lot. In the winter of 1749, or the 14th year of the Qianlong reign of the Qing dynasty, Emperor Qianlong gave the place a major face-lift in preparation for his mother's 60th birthday. The Kunming Lake was dredged on a large scale. Wade Vinson: I have read a book about the history of the Qing dynasty, and I know the major remains expended a large sum of money and consumed great manpower and material resources. Jack Smith: Yes. It also took the worker so much time. After a dozen years of spa-work, the Garden of Limpid Ripples (Qingyiyuan) appeared on the map of Beijing as an immense imperial garden famed for its picturesque landscape. Wade Vinson: Could you tell me who changed the Garden of Limpid Ripples to the name of the Summer Palace ?

Jack Smith: In 1860, the Anglo-French Allied Force burned the Garden of Limpid Ripples together with Yuanmingyuan and some other famous imperial gardens. In 1886, or the 12th year of the Guangxu reign, the Empress Dowager Cixi had the burned garden rebuilt on the debris, and in 1888, Cixi named the garden "Yiheyuan" or "Summer Palace". Wade Vinson: Oh, that's great. Jack Smith: However, in 1900, the Summer Palace was plundered and destroyed by the Allied Forces of Britain, America, Germany, France, Russia, Japan, Italy and Austria. The Summer Palace was rebuilt in 1903.
