内容概要

Puerto Rico is best known for pina coladas and Salsa music but it is also home to beautiful examples of Spanish Colonial and modern Caribbean architecture. In recent years, the tile industry in Puerto Rico has seen a revival of traditional designs and a new wave of tile design. This book contains stunning examples of tile designs from Puerto Rico. The enclosed CD contains the images for use as a graphic resource or for inspiration. The files can be used for high-quality printed media, web page design, to produce postcards, or to decorate your letters, flyers, etc. For many applications, single images can be used free of charge. Please consult the introduction to this book or visit our website for more detailed information.

Puerto Rico is best known for pi?a coladas and Salsa music but it is also home to beautiful examples of Spanish Colonial and modern Caribbean architecture. Puerto Rico experienced a building boom at the beginning of the 20th century, just as the technology for designing and making hydraulic tiles was becoming popular in the Caribbean. In recent years, the tile industry in Puerto Rico has been seeing a revival of traditional designs and new wave of tile design. The designs featured in this book are based on historic designs from the height of Puerto Rican tile design in the first half of the 1900s.

Agile Rabbit Editions contain stunning images for use as a graphic resource, or inspiration. All the illustrations are stored in high-resolution format on the enclosed free CD-ROM and are ready to use for professional quality printed media and web page design. The pictures can also be used to produce postcards, or to decorate your letters, flyers, etc. They can be imported directly from the CD into most design, image-editing, illustration, word-processing and e-mail programs; no installation is required. For most applications, single images can be used free of charge. Please consult our section on image rights for conditions.
