<<唐代女詩人詩選：香飄羅綺>>

内容概要

Companion to ASM ' s anthology of Song Women Poets Pluck a Lotus for Pleasure, published in 2008, Fragrance of Damask provides the English reader with a comprehensive collection of works of more than thirty women poets of the Tang Dynasty (618-907 C.E). Along with little known authors of the period, some of the most famous are represented here by works previously untranslated. Included are Li Ye, Yu Xuan Ji, She Tao. These collaborative translations are from the University of Macau ' s 1958group.
